## **Pricing Notes & Tax Information**

All listed prices are denominated in **USD** (United States Dollars) and are displayed **exclusive of tax**, unless otherwise noted.

We use the internationally recognized term **VAT (Value Added Tax)** to denote sales taxes or consumption taxes that may apply to the final sale.

### **For International Collectors:**

VAT is typically waived for direct exports outside of Peru (subject to specific customs and shipping documentation). However, the collector is solely responsible for any import duties, local VAT, or sales taxes levied by the customs authorities in the country of final destination.

### **For Buyers in Peru:**

The prices indicated are subject to the Peruvian **IGV (Impuesto General a las Ventas)**, in accordance with Peruvian tax regulations (SUNAT Law). The final invoice will reflect the current IGV rate applied to the sale, as legally required for transactions within the national territory.
